Morris & Morris Attorneys is honored to recently receive the distinction of having one of the Top 100 Jury Verdicts in New York by *Top Verdict*, a leading publication that recognizes U.S. law firms and attorneys who have obtained one of the highest jury verdicts in the Nation and individual States.

Additionally, Morris & Morris Attorneys is the only Rochester-based law firm recognized in 2017's Top 100 Jury Verdicts in New York for a personal injury verdict arising from a car accident.

"We're proud of the fact that our commitment and relentless determination to help injury and accident victims has resulted in extensive personal injury settlements and verdicts for our valued clients," said Deborah M. Field, partner at Morris & Morris Attorneys who also was the Personal Injury Attorney representing the plaintiffs in the case cited by *Top Verdict*.
