**Morris & Morris Attorneys Recognized Again in "The Best Lawyers in America"**

Morris & Morris Attorneys announced the national recognition of two of the law firm's highly rated attorneys in the 2016 edition of *The Best Lawyers in America*.

Deborah M. Field of Morris & Morris Attorneys was honored for her work in the practice area of Personal Injury Litigation Plaintiffs, for the fourth consecutive year. Her law firm partner, James E. Morris, was also selected by his peers for inclusion in the 22nd edition of *The Best Lawyers in America* for his work in Mediation, for the fifth year running.

Being listed in *Best Lawyers* is considered a singular achievement based on the positive feedback and high level of regard other leading attorneys have for the recipients.

"There is no greater honor than to be recognized by peers in your practice area," said Deborah M. Field.

James E. Morris stated, "I am very pleased to have been named for the fifth consecutive year, and am committed to the highest level of achievement in the area of Mediation."
